

Hands-On Workshop on Horizon Europe Calls & MSCA Opportunities

Mohammed V University in Rabat/Morocco

23 April 2026

Agenda

MSCA-GLOPOL has received funding from the European Union's Research and Innovation Program Horizon Europe under Grant Agreement No 101202507

Venue:

University Mohammed V - Rabat

Aim of the Infoday:

This practical workshop aims to strengthen awareness and engagement with Horizon Europe calls and the Marie Skłodowska-Curie Actions (MSCA). MSCA funds excellence in research and innovation and supports researchers at all stages of their careers by providing new knowledge and skills through international mobility and exposure to different sectors and disciplines, thereby contributing to strengthening Europe's long-term research and innovation capacity. The session also aims to present the main call schemes and will include a hands-on workshop on the use of the FTOP platform, along with a live demonstration. The event is organised in close collaboration with Mohammed V University in Rabat, as well as the MSCA-GLOPOL project. The working language of the event will be French. All participants will be officially invited by Mohammed V University in Rabat.
