WEBINAR

MSCA Best Practice Sharing & Matchmaking Session with MSCA Coordinators

Wednesday, 13 May 2026

MSCA-GLOPOL is funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Research Executive Agency (REA). Neither the European Union nor the granting authority can be held responsible for them.

Funded by
the European Union

Agenda

1. Welcome Remarks by MSCA-GLOPOL
2. Opening Remarks – 30 Years of MSCA: Curiosity that changes the world
3. Experience Sharing and Fireside Chat with MSCA Project Coordinators from Europe
4. Q&A Round and Discussion
5. Feedback and Next Steps

Expert & Testimonial Speakers

Robin Gabled

Policy Officer
DG Education, Youth, Sport and Culture
European Commission

Dr Radu Ionescu

Senior Researcher and
Principal Investigator
Estonian University of Life Sciences
(EMU)
Estonia

Dr Sergio Moya

Group Leader
Center for Cooperative Research in
Biomaterials - CIC biomaGUNE Spain

Expert & Testimonial Speakers

Dr Radu Ionescu

Senior Researcher and
Principal Investigator
Estonian University of Life Sciences
(EMU), Estonia

Project Coordinator:

1. [VOLATEVS - Analysis of the volatile organic compounds emitted by extracellular vesicles for disease diagnosis](#)
2. [ARTVOC - Volatolomic approaches for improving success rates in assisted reproductive technology](#)

Dr Sergio Moya

Group Leader
Center for Cooperative Research in
Biomaterials - CIC biomaGUNE Spain

Project Coordinator:

1. [OXIGENATED - Hemoglobin based Protein Nanocarriers for Tumour Oxygenation and a more effective Photodynamic Therapy](#)
2. [SUPROGEN - Supramolecular Polyamine Gene Vectors for Cancer Therapy](#)

Leading Questions

1. What do European coordinators expect from partners in Southeast Asia, and how can organisations better position themselves as valuable and credible collaborators?
2. What are the key factors for successful partnerships and how do you effectively manage them across institutions and sectors, including communication, roles, and long-term engagement?
3. Name three common challenges and lessons learned from your current/past projects!
4. How can organisations better align their expertise, networks, and institutional priorities with consortium needs?
5. Next steps: What should interested institutions from Southeast Asia do after this webinar?

Stay Updated – Subscribe to MSCA-GLOPOL

Subscribe to the latest news, events, and opportunities from the MSCA-GLOPOL project.

The screenshot shows the MSCA-GLOPOL website header with a navigation menu. The 'Resources' dropdown menu is open, and 'Flashnotes' is highlighted with a red circle. Below the header, there is a paragraph describing the Flashnotes as quarterly information emails. Another paragraph explains that each Flashnote provides curated updates on MSCA-related policy support actions, international cooperation opportunities, upcoming funding calls, and relevant events.

Simply visit the MSCA-GLOPOL website: <https://msca-glopol.eu/> and navigate to the Flashnotes tab.

Alternatively, you can access it directly via: <https://msca-glopol.eu/flashnotes/>

You will find the subscription option there, where you can easily sign up.

The screenshot shows the newsletter subscription form. It includes the text 'Get our newsletter delivered directly to your inbox' and a disclaimer: 'By clicking Subscribe you agree to receive the MSCA-GLOPOL newsletter by email. Your data will be used only for this purpose, in line with the Privacy Policy. You can unsubscribe at any time.' There is an input field for the email address and a 'Subscribe' button, which is circled in red.

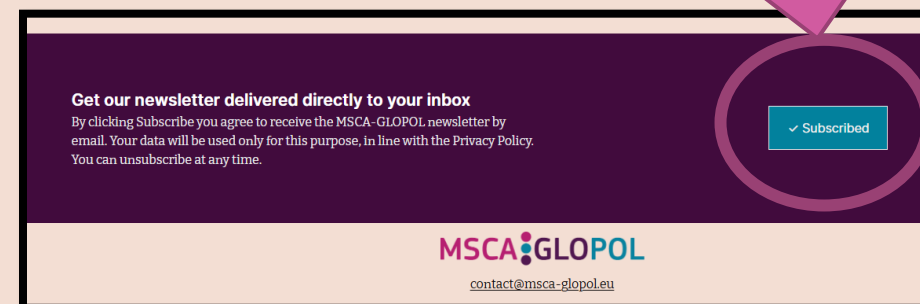

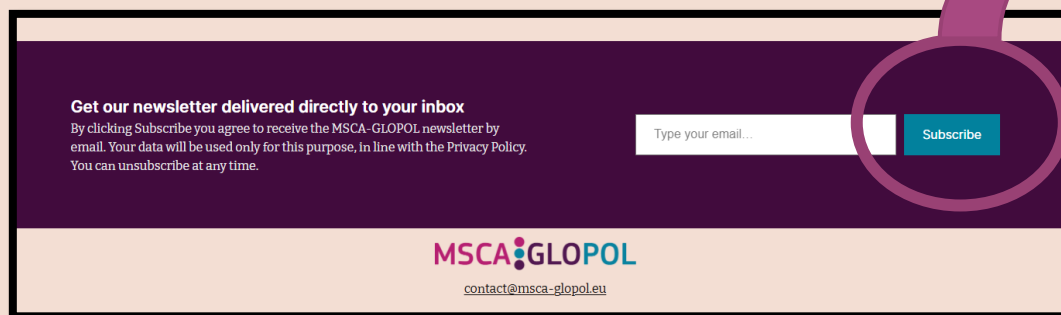

The screenshot shows the confirmation page after subscription. It includes the text 'Get our newsletter delivered directly to your inbox' and the same disclaimer as the previous screenshot. A '✓ Subscribed' button is visible, circled in red.
