- **Eligibility:**
 - Consortia of at least 3 independent legal entities from 3 different EU/Associated Countries.
 - Open to participation from any country globally.
- The current call opened on **28 May 2026**; deadline: **24 November 2026**.

MARIE SKŁODOWSKA-CURIE ACTIONS

Staff Exchanges 人员交流

- **Objective:** Fund short-term international and inter-sectoral staff exchanges to enhance research and innovation collaboration.
- **Core Features:**
 - Develop sustainable partnerships between academia and non-academic sectors (especially SMEs).
 - Provide staff with new knowledge, skills, and career development opportunities.
 - Increase research and innovation capacity of participating organizations.
- **Eligibility:**
 - Consortia of at least 3 organizations from 3 different countries (including 2 from EU/Associated Countries).
 - Open to global participation with conditions for same-sector consortia.
- The next call will open on **15 December 2026**.

Chinese institutions as 3rd country participant

Chinese institutions can participate in a consortiums as a 3rd country participant

Chinese institutions will need to secure their own source of funding for the part of the research that takes place in China.

Self-funding, co-funding

China-specific limitations

- Institutions that are administered by or fall under the supervision of the Ministry of Industry and Information Technology (MIIT) cannot participate
- No Chinese institutions can participate in calls related European communication networks
