Algeria is a non-associated third country under Horizon Europe. As a low- and middle-income country, Algeria is automatically eligible for EU funding, subject to the specific eligibility conditions of each call.

Implications for MSCA participation

Algerian organisations can participate and receive EU funding in MSCA actions that are open to organisations established in non-associated third countries. Their eligibility and possible role vary depending on the specific MSCA Action and call conditions.

MSCA within Horizon Europe

As of 1 August 2026, Algerian organisations had recorded 4 participations in MSCA, out of a total of 17 participations in Horizon Europe. MSCA therefore accounted for 23.5% of all Horizon Europe participations by Algerian organisations.
