## Key MSCA figures (Horizon Europe)

## Horizon2020 vs. Horizon Europe (2021-2025)

## Participation by MSCA scheme

## Types of organisations

Academic vs non-academic participation

## Jordan's research landscape & future opportunities

### Main research areas\*

### Main international cooperation links through MSCA

### Leading Jordanian institutions\*

Number of projects

\*Top Jordanian institutions participating in Horizon Europe MSCA projects. Source: CORDIS (data as of 1 August 2026), cross-checked against the Horizon Europe Dashboard.

### Country status

Jordan is a non-associated third country under Horizon Europe. As a low- and middle-income country, Jordan is automatically eligible for EU funding, subject to the specific eligibility conditions of each call.

### Implications for MSCA participation

Jordanian organisations can participate and receive EU funding in MSCA actions that are open to organisations established in non-associated third countries. Their eligibility and possible role vary depending on the specific MSCA Action and call conditions.

### MSCA within Horizon Europe

As of August 2026, Jordanian organisations had recorded 7 participations in MSCA, out of a total of 15 participations in Horizon Europe. MSCA therefore accounted for 46,7% of all Horizon Europe participations by Jordanian organisations.

### Learn more about MSCA

Our mission focuses on 20 countries and 6 regions, enhancing policy dialogue & strategic promotion to foster stronger research partnerships.
